

## HCA601N

'A' clip for heat cable 100/pack

### General

---

The HCA601N is manufactured from nylon with M6 fixing holes and is delivered complete with cable tie. It is ideal for installation where heat transfer from the fixing point to the heat sensing cable must be minimised. The fixing screw is not included. The A clip is 27 mm long, 16 mm high, and 12 mm wide.

### Standard Features

---

- Nylon insulation
- Standard M6 fixing hole
